Werksviertel-Mitte walks you through a world of diversity and Container Collective is responsible for a special aspect of this diversity. A place for everything: gastronomy, art, culture and retail.

Container Collective consists of approximately 27 former shipping containers and shapes a temporary town with special flair, unique and creative atmosphere in the city.

Would you like all services for your event go uncomplicated and quickly from one source? In this case, let us make a pitch perfect event plan for you.

location plan

Werkviertel-Mitte is located directly between Haidhausen and Berg am Laim in Munich East.

Thanks to its neighbor of Munich East Station the site is optimally connected with regional and national transportations.

Only three stations to the central Munich and first class connection to the downtown as well as to highways offer us time-saving comfort.

Same applies to short routes to industrial fairs and Munich airport.
