

introduction

Werksviertel-Mitte walks you through a world of diversity and Container Collective is responsible for a special aspect of this diversity. A place for everything: gastronomy, art, culture and retail.

Container Collective consists of approximately 27 former shipping containers and shapes a temporary town with special flair, unique and creative atmosphere in the city.

Would you like all services for your event to go uncomplicated and quickly from one source? In this case, let us make a customized event plan for you.

location plan

Werksviertel-Mitte is located directly between Haidhausen and Berg am Laim in Munich East.

Thanks to its proximity to the Munich East Station the site is optimally connected with regional and national transportation.

Only three stations to Munich Central Station and first class connection to downtown as well as to highways offer time-saving comfort.

Same applies to short routes to industrial fairs and Munich airport.
