

introduction

There is nothing like this particular open-air area.

Located in middle of Werksviertel and surrounded by architectural buildings like gastronomic businesses, Knödelplatz is inviting you wholeheartedly, that is ideal for concerts, roadshows, fair trades, exhibitions and presentations of all kind.

Expanding the area from Speicher street and Atelier street to Container Collective or Mariss Jansson square is always possible.

Would you like all services for your event to go uncomplicated and quickly from one source? In this case, let us make a customized event plan for you.

location plan

Werksviertel-Mitte is located directly between Haidhausen and Berg am Laim in Munich East.

Thanks to its neighbor of Munich East Station the site is optimally connected with regional and national transportation.

Only three stations to the central Munich and first class connection to the downtown as well as to highways offer us time-saving comfort.

Same applies to short routes to industrial fairs and Munich airport.
