introduction

WERK7 theater offers an exceptional setting: beyond its unique atmosphere, the venue features a breathtaking stage architecture that provides the perfect environment for concerts, theatre productions, and corporate events.

Become a guest in new Werksviertel-Mitte and get inspired by the former Pfanni potato warehouse.

Would you like all services for your event to be provided quickly and easily from a single source? In this case, we would be happy to send you a customized event concept.

location plan

Werksviertel-Mitte is located directly between Haidhausen and Berg am Laim in Munich East.

Thanks to its proximity to the Munich East Station the site is optimally connected with regional and national transportation.

Only three stations to Munich Central Station and first-class connection to downtown as well as to highways offer time-saving comfort.

Same applies to short routes to industrial fairs and Munich airport.
