## introduction

The NachtKantine in Werksviertel-Mitte has countless stories to tell. Where the employees of the Pfanni factory once dined, the dance floor was later taken over for dance evenings and people celebrated together to live music. Today, the NachtKantine combines industrial charm with the energy of an event venue – turning every occasion into a real experience.

The NachtKantine has had an eventful history – today, it stands out as a versatile event venue for corporate christmas parties, birthdays, anniversaries, talk shows, cabaret and concert events, and much more! In short: a place steeped in history. A venue with character. And plenty of space for unforgettable evenings.

### Catering

Food & beverage

### Seating & decoration

Theater and parliament style, banquet and gala style

location plan

Werksviertel-Mitte is located directly between Haidhausen and Berg am Laim in Munich East.

Thanks to its proximity to the Munich East Station the site is optimally connected with regional and national transportation.

Only three stations to Munich Central Station and first class connection to downtown as well as to highways offer time-saving comfort.

Same applies to short routes to industrial fairs and Munich airport.
